CLOSE

Select Sales Order dialog

Payment screen

When you do what

1. Start of shift:
 - Open POS.
 - Cashier opening dialog appears.
 - Enter opening amount per payment mode.
 - Click `Submit`.
2. During shift:
 - Click `Select S.O`.
 - Find and load customer order.
 - Click `PAY`.
 - Enter payment.
 - Click `Submit` (or `Submit & Print`).
3. End of shift:
 - Clear pending invoices.
 - Close shift by store process.

Opening dialog fields/buttons (cashier)

1. `Company`:
 - Company for this POS session.
2. `POS Profile`:
 - Profile for terminal/workflow.
3. Opening amount table (`Mode of Payment`, `Opening Amount`):
 - Enter starting cash/amounts for accountability.

4. `Cancel`:

- Exit without opening shift.

5. `Submit`:

- Create opening shift and enter POS.

Main screen buttons/fields

1. `Search Items`:

- Item search.

2. `Customer`:

- Set buyer/customer.

3. `Select S.O`:

- Open Sales Order picker (normal token flow).

4. `Held`:

- Open held drafts.

5. `Save Quote` / `Select Quote`:

- Quote flow if enabled by profile.

6. `Return`:

- Return process.

7. `Cancel`:

- Clear current cart.

8. `Save/New`:

- Save/reset invoice draft flow.

9. `PAY`:

- Open payment panel.

10. `Print Draft`:

- Print draft if needed.

11. Left ticket icon + monitor panel controls:

- Live workflow visibility (`All (date)`, `Mine`, refresh).

Select Sales Orders dialog fields/buttons

1. `Order ID`:

- Type token/SO number.

2. `Search`:

- Run lookup.

3. Row checkbox:

- Select one order.

4. Table columns:

- Customer, Date, Order, Amount, Age, Freshness.

5. Bottom `Close`:

- Exit dialog without loading.

Payment screen fields/buttons

1. Payment rows (`Cash`, `Credit Card`, `Cheque`, `Bank Transfer`, etc.):

- Enter amount or click mode button to set full amount.

2. Payment mode buttons (`CASH`, `CREDIT CARD`, etc.):

- Fill the selected mode with full payable amount quickly.

3. Totals fields:

- `Paid Amount`, `To Be Paid`, `Net Total`, `Tax and Charges`, `Total Amount`, `Grand Total`, etc.

4. `Additional Notes`:

- Optional payment note.

5. `Use Customer Credit` toggle:

- Apply available customer credit if allowed.

6. `Submit`:

- Submit paid invoice.

7. `Submit & Print`:

- Submit + print immediately.

8. `Cancel Payment`:

- Back to invoice screen.

Non-negotiable rules

- Cashier owns opening/closing cash accountability.
- Do not release goods from fulfillment screen.
